

Financial Advisor Fee Authorization Letter (non-retirement accounts)

National Financial Services, LLC.
200 Liberty Street
New York, NY 10281

Re: **Account of:** _____
 Account Number: _____

To Whom It May Concern:

This authorizes Allegheny to deduct fees from my National Financial Services Brokerage Account for services rendered to me by Allegheny. I understand I may terminate this fee deduction authorization at any time upon written request to Allegheny. Such termination shall not affect any obligation or liability arising prior to termination.

I agree to indemnify and hold harmless Fidelity Management Trust Company and its agent, National Financial Services Corporation, from any claims, losses, or other adverse consequences that may result from implementing this transaction as per my direction.

Fees will be paid on a _____ basis.

I understand that the determination of whether any fees paid to Allegheny are reasonable for the services provided to me shall be my sole responsibility.

I acknowledge that I have entered into a written agreement with Allegheny which sets forth the financial advisory fee to be charged and authorizes the deduction of a stated percentage or a fixed dollar amount to be deducted from my account for advisory services rendered to me.

I understand that the fee(s) will be paid from the core account of my Brokerage account.

Sincerely,
